Greetings,

I would like to let you know about what is happening with the Loveland Marine Corps League. We have been chartered in Loveland for four years and we have been busy helping veterans and performing community services such as leading parades and collecting flags in our flag disposal bin outside the Vets club on Cleveland and Third Street. We are a group of motivated former Marines that want to give more to the community and help our aging veterans and those returning from Iraq and Afghanistan.

In order for us to succeed we need your support. Without the support of the Community we would not be able to be of maximum assistance to our beloved veterans and their families. Your generous donation will assist our detachment in realizing our goals and becoming more active in supporting many community projects. We would like to install another Flag Disposal bin as our first one has been an overwhelming success.

We also have a goal of getting our Color Guard fully funded so that we may perform services for the Loveland area such as leading parades, performing funeral ceremonies for veterans and flag fold ceremonies at Senior Centers and schools. Obtaining all of the necessary equipment for a Color Guard is an expensive undertaking that will not happen without your support.

We have several ways businesses can help us reach our goals and get some advertising in return as a sponsor to the Loveland Marine Corps League.

For a donation of \$75.00 we will include a business card size ad in our monthly newsletter and on our 'Sponsors' page at our website www.mcl-loveland-1250.com. This also includes a link back to your website or email address.

The Marine Corp's biggest day by far is our birthday, which we celebrate in fine style with a formal Marine Corps Ball. You can secure advertising in our program for \$100.00

If you support us by advertising in the Marine Corps Ball program we will reduce the donation to advertise in the newsletter and on our website to \$50.00

We are compiling a list of businesses that offer discounts to veterans and would like to include your business on that list. We also gratefully accept tax deductible donations from individuals.

Thank you for your interest in supporting the Loveland Marine Corps League. If you would like more information please do not hesitate to contact me.

Semper Fi,

Solomon Martinez
